

# 2010 Eastern PA Turf Conference & Trade Show Silent Auction Donation Form

Each year the silent auction that is held at the Eastern PA Turf Conference & Trade Show helps to raise money that supports research projects that takes place at Penn State University. The only way to continue this activity is if great items are donated to the silent auction for attendees to bid on. This is where you can help out!

Companies that commit to supporting the 2010 silent auction by returning this form by **November 25, 2009** will receive recognition in the onsite program booklet that is distributed at the show. We will continue to accept donations right up until the start of the auction on Wednesday, January 13, but cannot offer the same level of recognition for donations accepted at a later date. Silent auction items in the past have included autographed sports memorabilia, pesticides, gift certificates to country clubs, rounds of golf, and vacation packages.

Think outside the box – donate an item that will have attendees fighting for not only the winning bid, but to get to the company that donated it!

To increase bidder satisfaction as well as expediting the delivery of items that have been successfully won, we will be accepting payment from the winning bidders and providing them with the items that they won at the conclusion of the silent auction at 2:00 pm on Thursday, January 14<sup>th</sup>. Therefore, we ask that you arrange delivery of your donations to the PTC office prior to December 31, 2009, or bring the donation with you to the show. This will also save you the time and expense of having to arrange delivery at a later point in time!

Thank you in advance for helping us to exceed the 2009 silent auction proceeds of \$21,000!
